

21st Century Smoke[®]

RECHARGEABLE KIT

*Always Charge Battery before use. Remove cartridge from battery when not in use, to prolong battery life.

To Use

Just screw the refill cartridge onto the battery.

Inhale normally to begin smoking.

*Enjoy the **21st Century** flavor!*

To Charge

*To charge battery, unscrew battery from cartridge and screw into charger. A blinking LED light at the tip of the battery indicates a **low battery**. The LED light will automatically switch off when the battery is fully charged. Charge for 2-3 hours.*

● Fully Charged
☀ Low/No Battery
